CLERK, U.S. DISTRICT COURT

BY  DEPUTY

Dear Sir;

A detainer has been placed on me by the Texas Department of Criminal Justice for you case No. 120CR002323RP. I respectfully request that you either have me bench warranted back to stand trial or dismiss the charges. Having a detainer is harmful to my rehabilitation and, In addition an excessive delay will prevent me from defending myself.

Sincerely,

Defendant

MOTION FOR SPEEDY TRIAL

TO THE HONORABLE JUDGE OF SAID COURT:

Jamar Augustin, Defendant, moves the Court to order a speedy trial, and in support of this motion shows:

I.

An indictment in this action has been presented. Defendant is currently an inmate at TDCJ. A detainer was placed on the Defendant by Jamar Augustin County on Travis County

II.

Defendant has previously written the Court seeking appointment of counsel and speedy resolution of his pending charges. To date, Defendant has not heard anything from the Court concerning this prior request.

III.

Defendant seeks a speedy trial in order that justice may be done and that he be accorded due process and due course of law as respectively guaranteed by the United States and Texas Constitutions. *See, Barker v. Wingo*, 92 S.Ct. 2182 (1972). Defendant asserts that any further delay would result in irreparable harm due to the loss of witnesses necessary to his defense.

WHEREFORE, the Defendant prays the Court grant this motion and order that trial in this matter be set for a date on or before 3/3/21, or, if trial is not set on or before said date, that the indictment herein be dismissed on the ground that the Defendant has been denied his constitutional right to a speedy trial.

Respectfully submitted,

 Defendant, Pro Se
